Subject: November 30, 2011 General Notice Letter and Information Request
Concerning the Chemetco Superfund Site

Dear Ms. Kerr:

This is in response to the above-referenced letter, which I received on December 12, 2011.

Delphi Automotive LLP is not a potentially responsible party in relation to the Chemetco site. Delphi Automotive LLP did not exist at any time during the Chemetco site's period of operation, and in fact was not formed until 2009, eight years after Chemetco's closure. Delphi Automotive LLP was created in conjunction with a sale of assets out of the former Delphi Corporation's bankruptcy. Consequently, Delphi Automotive LLP does not have any connection to or responsibility/liability for the Chemetco site.

Please let me know if you have any questions.

Sincerely,

Mark A. Hester
Assistant General Counsel
Environmental & Energy Section
